

Vacancy: Coordinator

CfP is looking for a coordinator for two main responsibilities — coordinating the communications function for the Centre for Pastoralism, and coordinating the production of the Living Lightly exhibition on Pastoralism.

The Centre for Pastoralism, a recent initiative of Sahjeevan, is in the process of instituting collaborative programs aimed at enhancing livelihood security of pastoralists, undertake and support research which enhances an understanding of pastoral eco-systems, and organize outreach activities to educate the wider society about pastoralist's contribution to the mainstream.

We seek a young energetic person who has at least 7 years work experience in the corporate or social sector. If you have a passion for socio-ecological issues, strong managerial abilities, should be proficient in Hindi and English, have a talent for and enjoy writing, and are skilled in using digital platforms, we are interested in you! A capacity to multi-task lies at the heart of this position.

Key responsibilities include:

- Coordinating and communicating with various stakeholders - including organizations, government, donors, independent professionals as well as CfP programme anchors
- Oversight and follow up of CfP objectives, programmes and decisions
- Assisting with, and if necessary, taking the lead in writing proposals and reports
- Developing systems for and managing documentation & information

A background in pastoral studies or work with pastoralists would be an obvious plus, but certainly not the main requirement. We are a young organization with a large agenda and we would like someone who is willing to work in a fluid, evolving environment, and to take the lead on a variety of issues, as and when such need arises. If this interests you (or you know someone who might be), please get in touch immediately with Vasant Saberwal, Director, at vasant@pastoralism.org.in, along with your up-to-date resume (1- page), detailed CV, and a 1-page Statement of Intent outlining your interest in this position and how you see yourself contributing to CfP's objectives and growth.
